

**MONDAY MAY 15, 2017**  
**TRAINING SESSIONS**  
**COURSE CONTENT, CLASSROOM AND FEES**  
 Register for training sessions online at [www.kdlhardware.com](http://www.kdlhardware.com)

**FUNDAMENTAL LOCKSMITH SKILLS** 8AM - 4PM \$400  
**THIS IS A COMPREHENSIVE TWO DAY COURSE**  
**TCC CLASSROOM "B" BOTH DAYS**  
*Instructor: GABE DE GAALON, CPL, OWNER GABES LOCK & KEY, CERTIFIED INSTRUCTOR*

Gabe presents a comprehensive introduction to the basics of locksmith skills, the use of locksmith tools and industry terminology. Students will develop the ability to: identify key blanks, work with key machines, disassemble, service and rekey common cylinders. Other subjects covered are: cylinder bypass methods including picking, shiming and impressioning, lockset types, functions, finishes, servicing and troubleshooting. Your instructor will also present an introduction to master keying, door hardware & installation basics, and customer service.

*Students should bring small hand tools.*  
 Includes lunch, light snacks and bottled water daily.

**ASSA ABLOY LFIC TRAINING** 8AM - NOON \$35  
**TCC BANQUET ROOM "A"**  
*Instructor: GUY ROBINSON, FACTORY CERTIFIED TRAINER*

We examine how to determine the keying matrix, as well as the keying and master-keying, the art of disassembly and the reassembly of Large Format Interchangeable Cores in the ASSA ABLOY family of cylinders that include Corbin Russwin, Sargent, Yale and Medeco. This class is for individuals who already understand basic keying techniques and desire to increase their knowledge of various types of cylinders.

Guy offers special insight into working with LFIC.

Stay and attend the ASSA ABLOY Locks, Closers and Exits afternoon training session with Tom Colley and we will treat you to lunch !!

**LOCKS, CLOSERS & EXITS** 1PM - 5PM \$35
