

# KDL Hardware Supply

## TWO Day Locksmith Safe Lock Training

Presented by Lance H. Mayhew Jr., CMS

This training session will take place at Tukwila Community Center both days.

### Day 1: Classroom Instruction & Toolmaking

### Day 2: Hands on Workshop

Over the course of this class, Lance will instruct students on defeating electronic safe locks, with an emphasis on spiking. Students will get hands-on experience in making custom tools and then using them to defeat different types of safe locks.

### Class Cost: \$925

Class includes:

Two days of instruction

Class book (*students keep*)

Valkyrie tool (*students keep*)

Lab fee

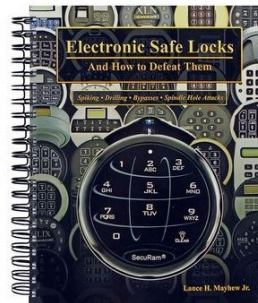

Deluxe lunch both days

**October 11th and 12th, 2023 8am - 4pm**

**Tukwila Community Center 12424 42nd Ave S Tukwila, WA 98168**

**Class Book:** Electronic Safe Locks and How to Defeat Them

**Valkyrie Tool:** Electronic Safe Lock Spike Tool with Cables and Dummy Cells

Lunch will be provided both days of training by KDL. Coffee, snacks and water will be available each day.

**Please contact Darcey at 206-682-7383 ext 104 or Julie at 206-682-7383 ext 116 to register for this class**

Supplying Peace of Mind Since 1919

*Students who already own a Valkyrie spike tool and the class literature will receive the reduced rate of \$435*
